

Revised Major Requirements	Science, Technology, and Society
Total # of units required for major, excluding any required Intensive(s)	10
Required Intensive units, if any	1.5
Total units required	11.5
Total # of specific courses required (e.g., 101 & 102; 218; one of 225, 226, or 227; 301-02: 362) . Please list below and indicate # of units for each.	3
SOCI 151 - Introductory Sociology	1
ECON 102 - Introduction to Economics	1
STS 200 - Conceptualizing STS: Theories and Practice	1
Distributional content area units required (e.g. 1 unit at the 200 level in each of the three subdivisions of the field). To the right, list units for any not already included above. Below, list the distributional statement.	3
Three natural science courses from at least two departments. Two of the courses must have a lab component.	3
ELECTIVES. To the right, indicate units not included above. Below, list any structured electives not included above (e.g., 2 electives at the 200 level and 2 elective seminars)	4
Four additional STS courses. Only one 100-level STS course is allowed and at least one 300-level STS course is required.	4
INTENSIVE(S) required. Below, list any specific required intensive(s).	1.5
STS 303 - Senior thesis research (Fall)	0.5
STS 304 - Senior thesis research (Spring)	0.5
STS 301 - Senior thesis seminar	0.5
Other. Please explain below.	
The additional restrictions on STS electives are in place to ensure sufficient depth in the major.	
Note that they mirror current requirements for STS courses counting towards the major (2018/19).	
They were meant to be included in the original draft of revised major requirements but were accidentally omitted.	
Sum of 5 light grey boxes, should equal "Total units required" above	11.5

Science, Technology, and Society

The new requirements will apply to all STS majors, beginning in 2019/20. Please contact the program director or your major advisor if you have any questions or concerns.
